Ayyappa Sahasra Namam - 1

Ayyappa Sahasra Namam
{One Thousand Names of Lord Ayyappa}
Translated by P. R. Ramachander

{Lord Ayyappa is the son of Lord Shiva born to Lord Vishnu in his Mohini form. He was brought up by the king of Pandala in Kerala and was sanctified in the temple in the hill temple of Sabari Malai in Kerala. He is also called Dharma Sastha and has large number of temples dedicated to him Thirunelveli district of Tamil Nadu. I got this Saharsra Namam in Malayalam script from www.rohiniayyappa.com/sahsraNamam.pdf. I could not get any information about its author or the origin of this stotra. In my translation work I have used the excellent translation and interpretation of this great work by Sri Ganesh Swami published by Sri Meru Publications, Trichur.}
